INTERNATIONAL CONFERENCES

BROCHURE

[Document subtitle]

STRATEGIC THINKING CONFERENCES CULTIVATE VISIONARY LEADERS BY EQUIPPING THEM WITH THE STRATEGIC MINDSET, INNOVATIVE TOOLS, AND FUTURE-FOCUSED THINKING REQUIRED TO ANTICIPATE CHANGE, MANAGE COMPLEXITY, AND ACHIEVE TRANSFORMATIVE INSTITUTIONAL AND NATIONAL RESULTS.

1. STRATEGIC THINKING FOR AFRICAN FINANCE PROFESSIONALS: TRANSFORMING ACCOUNTING & INTERNAL AUDIT PRACTICE IN A DIGITAL ECONOMY

The conference focuses on equipping finance and audit professionals to move beyond compliance into value creation. It strengthens their ability to align financial oversight with organizational strategy, manage public and private sector risks, ensure transparency and accountability, and support sustainable development. The programme emphasizes governance, risk management, anti-corruption, and data-driven decision-making within African institutional, regulatory, and socio-economic contexts.

Objectives

- Equip finance and audit professionals with advanced strategic and risk-based thinking skills
- Strengthen internal control, accountability, and value-for-money frameworks
- Align financial oversight with organizational strategy and national development goals

Key Benefits

- Improved fraud prevention, compliance, and governance
- Enhanced strategic advisory role for accountants and auditors
- Stronger public trust and institutional credibility

BATCH A: DATE: 13TH -17TH APRIL, 2026

VENUE: WATERCRESS HOTELS & EVENTS, 48 ORITSHE STREET, OFF BALOGUN ST, ALLEN, IKEJA, LAGOS-NIGERIA.

BATCH B: DATE 11TH – 15TH MAY, 2026

Venue: Nigerian Army Resource Centre, Abuja - Nigeria

CONFERENCE FEE: \$3,000.00 (THREE THOUSAND DOLLAR (COVERING CONFERENCE MATERIALS, ACCOMODATION, CITY TOUR. LOCAL LOGISTIC, ALL MEALS AND CERTIFICATE)

DURATION: 5 DAYS

2. THE INTELLIGENT WORKFORCE: INTEGRATING ARTIFICIAL INTELLIGENCE AND EMOTIONAL INTELLIGENCE FOR HUMAN RESOURCE TRANSFORMATION IN AFRICA

Overview

This conference explores the integration of Artificial Intelligence (AI) and Emotional Intelligence (EI) in modern Human Resource Management, focusing

on ethical automation, people analytics, talent development, and employee well-being in both public and private sectors.

Objectives

- Introduce AI tools for recruitment, performance management, and workforce planning
- Strengthen emotional intelligence for leadership, conflict management, and staff engagement
- Promote ethical, people-centred HR digital transformation
- Align HR practices with national, ECOWAS, and AU workforce development goals

Key Benefits

- Smarter, data-driven HR decision-making
- Improved staff morale, productivity, and retention
- Balanced use of technology with human empathy
- Enhanced institutional efficiency and accountability

DATE: : 18th – 22nd May, 2026.

CONFERENCE FEE: **\$3,000.00** (THREE THOUSAND DOLLAR (COVERING CONFERENCE MATERIALS, ACCOMODATION, CITY TOUR. LOCAL LOGISTIC, ALL MEALS AND CERTIFICATE.

3. BRAIN-SMART LEADERSHIP: NEUROSCIENCE, ETHICS AND TRANSFORMATIONAL GOVERNANCE IN AFRICA’S PUBLIC AND PRIVATE SECTORS

Overview

This conference applies neuroscience and ethical frameworks to leadership in governance, policy implementation, and public service delivery, addressing cognitive bias, emotional regulation, integrity, and responsible decision-making.

Objectives

- Explain how the brain influences leadership behaviour and judgment
- Strengthen ethical leadership and values-based governance
- Improve decision-making under pressure and uncertainty
- Promote trust, transparency, and citizen-centred public service

Key Benefits

- Leaders who think clearly, act ethically, and lead calmly
- Reduced leadership errors driven by bias and emotional stress
- Stronger public trust and institutional credibility
- More resilient and emotionally intelligent public servants

VENUE: WATERCRESS HOTELS & EVENTS, 48 ORITSHI STREET, OFF BALOGUN ST, ALLEN, IKEJA, LAGOS-NIGERIA

DATE: 13th – 17th July, 2026.

4. FROM COMPLIANCE TO STRATEGY: PROCUREMENT AS A STRATEGIC DRIVER OF ORGANIZATIONAL SUCCESS.

Procurement is no longer just a back-office function focused on purchasing goods and services. In today's complex and competitive environment, procurement plays a critical strategic role in driving efficiency, managing risks, improving transparency, enabling innovation, and delivering measurable value to the organization.

Objectives

1. Understand the evolving role of procurement in modern organizations.
2. Learn how to align procurement strategy with corporate or public sector objectives.
3. Explore tools for cost optimization and value creation beyond lowest price.
4. Identify risk management strategies within procurement and supply chains.
5. Strengthen governance, compliance, and accountability frameworks.
6. Discover how digital transformation enhances procurement performance.
7. Develop actionable steps to reposition procurement as a strategic function.

Key benefits

1. Achieve better value for money and cost savings.
2. Improve transparency and reduce waste or leakages.
3. Enhance supplier performance and long-term partnerships.
4. Strengthen risk management and supply chain resilience.
5. Support innovation and sustainability goals.
6. Improve institutional credibility and stakeholder trust.
7. Contribute directly to organizational growth and competitive advantage.

VENUE: WATERCRESS HOTELS & EVENTS, 48 ORITSHE STREET, OFF BALOGUN ST, ALLEN, IKEJA, LAGOS-NIGERIA

DATE: 13th – 17th July, 2026.

CONFERENCE FEE: \$3,000.00 (THREE THOUSAND DOLLAR (COVERING CONFERENCE MATERIALS, ACCOMODATION, CITY TOUR. LOCAL LOGISTIC, ALL MEALS AND CERTIFICATE.

5. NEURO-INTELLIGENT LEADERSHIP: STRENGTHENING STRATEGIC THINKING FOR ORGANIZATIONAL SUCCESS

Overview

This conference develops strategic thinking skills using neuroscience-based approaches, enabling leaders to anticipate change, manage complexity, and lead transformation in African institutions.

Objectives

- Build advanced strategic thinking and foresight capabilities
- Enhance cognitive flexibility, innovation, and problem-solving
- Equip leaders to manage reform, crises, and transformation agendas
- Align leadership strategy with Africa's development and security priorities

Key Benefits

- Faster and more effective decision-making

- Leaders equipped for complex, high-stakes environments
- Improved organizational performance and adaptability
- Sustainable leadership pipelines for African institutions
-

VENUE: NIGERIA ARMY RESOURCE CENTER, ABUJA - NIGERIA

DATE 14th – 18th September, 2026

CONFERENCE FEE: \$3,000.00 (THREE THOUSAND DOLLAR (COVERING CONFERENCE MATERIALS, ACCOMODATION, CITY TOUR. LOCAL LOGISTIC, ALL MEALS AND CERTIFICATE.

6. SMART GOVERNANCE IN THE DIGITAL AGE: CYBERSECURITY AND AI FOR PUBLIC AND PRIVATE SECTOR TRANSFORMATION.

Overview

This conference addresses cybersecurity resilience, AI adoption, and e-governance frameworks, focusing on secure digital transformation, data protection, and smart service delivery.

Objectives

- Strengthen cybersecurity awareness and risk management
- Promote responsible AI integration in governance and business
- Enhance e-government systems for efficiency and transparency
- Align digital initiatives with national and regional security standards

Key Benefits

- Reduced cyber threats and data breaches
- Secure and efficient digital public services
- Increased citizen and stakeholder confidence
- Stronger digital economy and governance systems

VENUE: WATERCRESS HOTELS & EVENTS, 48 ORITSHE STREET, OFF BALOGUN ST, ALLEN, IKEJA, LAGOS-NIGERIA

DATE; 19th =23rd October, 2026.

CONFERENCE FEE: \$3,000.00 (THREE THOUSAND DOLLAR (COVERING CONFERENCE MATERIALS, ACCOMODATION, CITY TOUR. LOCAL LOGISTIC, ALL MEALS AND CERTIFICATE.

7. REPOSITIONING INTERNAL AUDIT: STRATEGIC THINKING FOR RISK MANAGEMENT AND ORGANIZATIONAL INTEGRITY.

Overview

Strategic Thinking for Internal Auditors and Control Officers is designed to reposition auditors from routine compliance officers to strategic partners in organizational governance. The conference explores how internal auditors and control officers can align audit activities with institutional goals, national development priorities, and risk-based decision-making—especially within public sector, armed forces, and paramilitary environments.

Objectives

- To develop strategic and forward-looking thinking among auditors and control officers
- To bridge the gap between audit, risk management, and organizational strategy
- To strengthen decision-making and advisory roles of audit units
- To enhance value creation beyond traditional compliance functions

Key Benefits

- Stronger strategic alignment between audit functions and leadership priorities
- Improved risk anticipation and preventive control mechanisms
- Enhanced credibility and influence of auditors at executive and board levels
- Better contribution to institutional sustainability and public trust

VENUE: WATERCRESS HOTELS & EVENTS, 48 ORITSHE STREET, OFF BALOGUN ST, ALLEN, IKEJA, LAGOS-NIGERIA

DATE: 7th – 11th December, 2026.

CONFERENCE FEE: \$3,000.00 (THREE THOUSAND DOLLAR (COVERING CONFERENCE MATERIALS, ACCOMODATION, CITY TOUR. LOCAL LOGISTIC, ALL MEALS AND CERTIFICATE.

CONFERENCE DETAILS

Our faculty members are top notch professionals from Armed forces, Professionals, Academia and seasoned Administrators.

We would be grateful if nominations are submitted no later than three (21 days) weeks prior to the conference dates, to allow for adequate preparation for participants.

Kindly send the nominations to WhatsApp no: +2348038264778 for coordination and further communication regarding registration, payment, travel, accommodation, and conference logistics.
